Information & Cyber Security Recruitment

Barclay Simpson's Information & Cyber Security practice was established in 2001. As experts within this area, we are regarded as the "go to" firm for all levels of Information & Cyber Security recruitment and executive search.

- We are one of the longest established consultancies specialising in Information & Cyber Security recruitment, and as a result have one of the best networks in this space.
- We are a respected and trusted brand.
- We work with a range of clients including: S&P 500, Dow Jones and NASDAQ companies, consultancies and elite boutiques.
- We have a proven track record of delivering on time and in budget

Areas of Specialization

Our detailed knowledge of the Information & Cyber Security market and the people working within it, together with our level of understanding of the profession, allows us to offer insights into the background and capabilities of candidates that non specialist recruiters are unable to provide.

Our consultants specialize in the following areas:

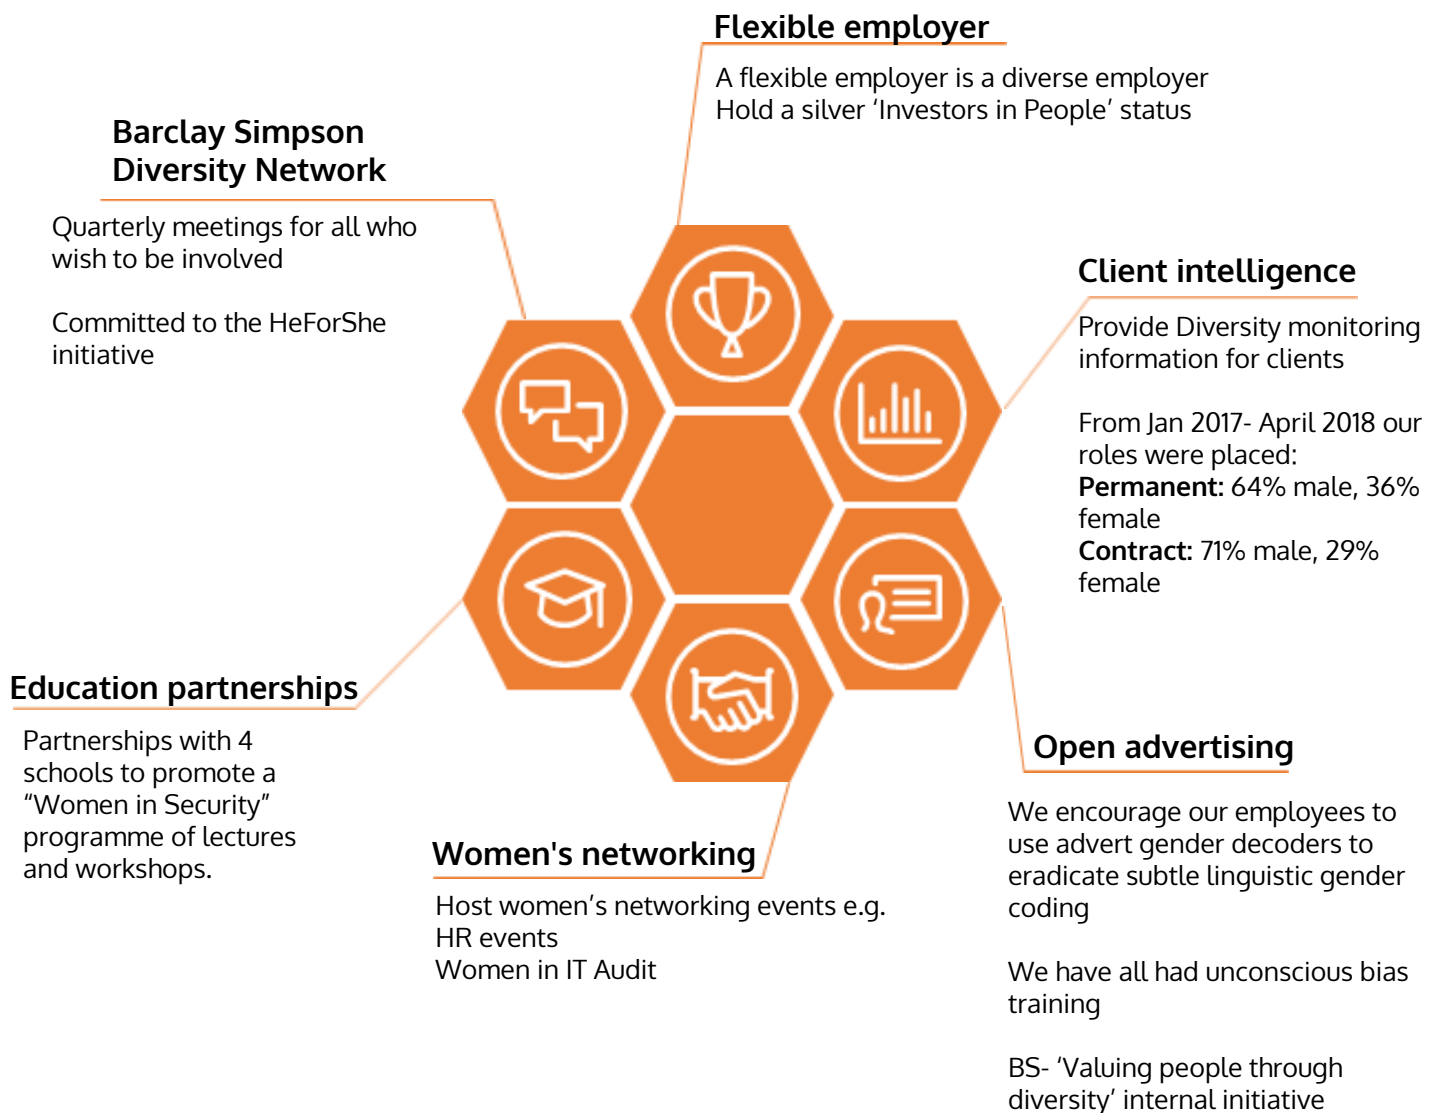

- CISO/CIO
- Threat Intelligence
- Cyber Risk
- Incident Response
- Data Privacy/GDPR
- Security Architecture
- Technology Risk
- Identity & Access Management
- Governance, Risk and Compliance (GRC)
- Network Security
- Penetration Testing (Red/Blue Team)
- Security Operations Center (SOC)
- DLP
- SIEM
- PCI DSS
- Cloud Security
- Forensics
- Vulnerability Management

Meet the team

Rolland Szabo
Head of US Client Development
rs@barclaysimpson.com

Rolland leads our client development efforts with a decade of experience across various industries. Combined with several years of staffing & recruitment experience, he is in charge of spearheading all of Barclay Simpson's solutions from perm to interim across new and existing relationships.

Greg Anderson
Head of US Recruitment
ga@barclaysimpson.com

Greg leads the whole US business across all of our core markets: Risk, Internal Audit, Compliance and Cyber Security. In addition to running the office Greg also recruits risk positions across the US and specializes in VP to senior Director level positions on either a contingent or retained basis. This includes roles across operational, market, credit and quantitative risk.

Mark Ampleford
Director

Mark joined Barclay Simpson in 2001 and heads the security Division. He delivers senior level Information and Cyber Security recruitment and executive search.

John O'Reilly
SOC, GRC, and Incident Response
jor@barclaysimpson.com

John's focus is on senior level hiring for Cyber Security Leadership, SOC, GRC, and Incident Response titles within the Buyside and Insurance markets. John joined Barclay Simpson in 2019 to assist in the development of our Global Cyber Security recruitment practice, working closely with colleagues and candidates working within the IT/Information Security industry.

Nicholas Milano
Security Architecture & Engineering
nfm@barclaysimpson.com

With a background in Information Technology recruitment, Nicholas spent his first two years focused on finding top talent across Infrastructure, development and security for his clients within the financial services sector. His diverse experience in recruitment and finance allows him to leverage his industry knowledge to build lasting relationships with his clients and candidates.

Lewis Etherington
Security Architecture & Engineering

Lewis has recruited into Information and Cyber Security since 2015. He joined Barclay Simpson to recruit into the professional services and commerce sectors focusing on Security Architecture and Engineering roles.

Owanate Bestman
Contract & Interim

Owanate is an experienced recruitment consultant who joined Barclay Simpson in 2013 and manages contract and interim recruitment within Information and Cyber Security.

Sophie Jdouri
Operations & Incident Response

Sophie joined Barclay Simpson in 2016 and specialises in providing candidates in the cyber security operations, incident response and digital forensics space, across all industry verticals.

Harish Parmar
Consultancies & Commerce

Harish has specialised in Information and Cyber Security recruitment since 2007. He leads the Information and Cyber Security recruitment team for our professional services and commerce sector clients.

Andrew McNamara
Privacy and Data Protection

Andrew joined Barclay Simpson in 2016. He specialises in Privacy and Data Protection recruitment across all industry verticals and leads this area for the permanent security team.

Thomas Woods
Contract & Interim

Tom joined Barclay Simpson in 2016 and leads Data Privacy recruitment for Barclay Simpson's interim division, working with Data Privacy & Information Security leaders across all sectors.

Harry Wyles
Contract & Interim

Harry joined Barclay Simpson in 2016 and specialises in placing Security Operations and Information Security specialists on a contract and interim basis, across all industry sectors.
